	DGS submitted a June 13, 2008, letter, pursuant to provisional language contained in the Budget Act of 2007, to augment expenditure authority in the current fiscal year by \$30.2 million for purchase of natural gas for the Natural Gas Services Program. The program achieves economies of scale by making bulk purchases of natural gas for state and other public entities (including cities, counties, and schools districts). Recent increases in consumption and prices triggered the need for the augmentation, and point to the need to augment program expenditure authority in Fiscal Year 2008-09.
